

# General English

Beginner - Upper Intermediate

## Learn To Be A Leader

Explore and sculpt your edges to be a leader. The art of education is not learning, but the ability and desire to learn, not knowledge but strength and persistence.

## Know Yourself Better

Be a Leader not a follower. Discover the innovative person in yourself. Challenge yourself and take accountability of your decision. Never give up on something you believe in.

## Measure Your Growth

Set yourself achievable goals and follow someone as a mentor. Everyday do something that will inch you closure to a better tomorrow. Be not afraid of growing slowly.

# Make the right choice

## Course Overview

General English (Beginner to Upper Intermediate) course is suitable for students with no knowledge of the English language. This course will prepare students to learn to use English effectively in an everyday environment as well as for further studies. It is carefully designed to cover the macro-skills of speaking, listening, reading and writing as well as grammar and pronunciation practice. Students will progress through this course in a supported and enjoyable environment. The emphasis of most of our lessons at this level is giving students opportunity to practice what is taught through the use of practice-based learning activities, which are based on weekly themes and topics. These provide a framework around which vocabulary building and the development of the macro skills are practiced which makes it both interesting and productive for students.

## Objectives

This course provides students with the opportunity to master the language skills for working and living in Australia. Students get the opportunity to learn English in Riverton Institute of Business & Technology with a reputation for practical activities, applied learning and outstanding results.

## Approach

Each level is based on different daily topics, designed to illustrate different styles of the English language. All levels follow the same broad outline. Student tasks, course materials, activities and timing will differ according to the group level. The emphasis in all level is on the communication skills; speaking, listening, reading and writing. Each course also provides useful preparation for those students intending to undertake further studies with Riverton Institute of Business & Technology. Although the class teacher has responsibility for course delivery, course content is flexible and will permit some student input. For example, if there is sufficient interest, the courses

might include more than one day on a particular topic, or topics outside those listed, such as Business English.

## Learning Outcomes
