

Advanced Diploma of Business

BSB60215

Learn To Be A Leader

Explore and sculpt your edges to be a leader. The art of education is not learning, but the ability and desire to learn, not knowledge but strength and persistence.

Know Yourself Better

Be a Leader not a follower. Discover the innovative person in yourself. Challenge yourself and take accountability of your decision. Never give up on something you believe in.

Measure Your Growth

Set yourself achievable goals and follow someone as a mentor. Everyday do something that will inch you closure to a better tomorrow. Be not afraid of growing slowly.

Make the right choice

Course Overview

After knowing the basics, you can turn your knowledge and skills up a notch with the Advanced Diploma of Business, where you will learn about managerial issues, human resources, marketing and strategic management. It's the perfect stepping stone to an executive or leadership role.
